Thanks very much for the invitation. I am free January 7th and am happy to talk with the board at that time. I'm interested in offering a statewide perspective on conservation planning issues and then discussing how Burlington's work could fit it into that. How does that sound?

Cheers

Hi Jens,

On Monday, I mentioned my meeting with you this fall to the CB, and the board is interested in having you come visit to discuss what we can do to further conservation in Burlington and the region.

We meet at 5:30pm on the first Monday of the month (except holidays), so our next meetings are Jan 7, Feb 4, and March 4.

If you'd still like to come, please coordinate with Scott from the City (CCed here) about getting on one of our upcoming agendas.

Regards,  
Doug
